(*IFSA Publishing, S.L., Spain*)

Advisory Chairman:

- Prof., Dr. Vijyakumar Varadarajan
(*Central Christian University, Malawi*)

BLOCKCHAIN & CRYPTOCURRENCY CONFERENCE (B2C' 2026)

ABOUT THE EVENT

The Organizing Committee for the 5th International Blockchain and Cryptocurrency Conference (B2C' 2026) invites you to begin your preparations to support and attend the event on 28 - 29 October 2026, Las Palmas de Gran Canaria, Spain. We are excited to have an exceptional location for the event and are preparing a meeting that will deliver insights into technological innovations, increased awareness of new applications, opportunities for collaboration and learning, and other memorable experiences.

AC Marriott Hotel Gran Canaria in Spain has provided B2C' 2026 Conference with a comfortable space for our meeting: that will be situated among both the technical posters and the refreshments during breaks. It guarantees a steady flow of attendees into and around the exhibit space.

B2C' 2026 is encouraging exhibitors and sponsors to attend the event, prepare their exhibit, engage with the attendees, and support the meeting. If you have any ideas, you'd like to suggest for innovative ways to engage with the meeting, please contact us at opal@sensorsportal.com, +34 696067716

CONFERENCE ORGANIZER

The event is organized by (IFSA) – one of the major, non-profit, professional association, serving for sensor industry and academy since 1999. There are 750+ members from 74 countries and 6 continents worldwide in the association. 59 % of the members are from industry, 40 % - from academy, and 1 % - from research centers.

We look forward to see you in Gran Canaria in **October 2026**

BLOCKCHAIN & CRYPTOCURRENCY CONFERENCE (B2C' 2026)
